MARCH/APRIL 2010

Bring your boats to the Mt. Shasta Mall on March 27th to promote sailing at Whiskeytown

There will be a secure area set up outside the food court, both around the fountain and in the parking lot. No traffic will travel near our boats; they will be inside an area roped off by security. Let's make this a fabulous display! Bring your boats and set up the sails for the day. Please sign up to help us man our information booth . . . contact Mike Archibald or Pamela Hanford, or fill out our form online.

Some members may remember the July 2009 cover of *Enjoy* magazine, which featured one of the boats sailing in our regatta. That was a lovely bit of publicity for WSC, and now we have an even more interesting opportunity . . . showing our boats in their "Enjoy Life" event at the Mount Shasta Mall this March 27th.

Enjoy co-publisher Yvonne Mazzotta has asked that we bring our sailboats to set up and display. Club members are also installing a booth to provide information and promote membership, so we're looking for volunteers to spend some time meeting the public and encouraging new sailors to come join us on the lake.

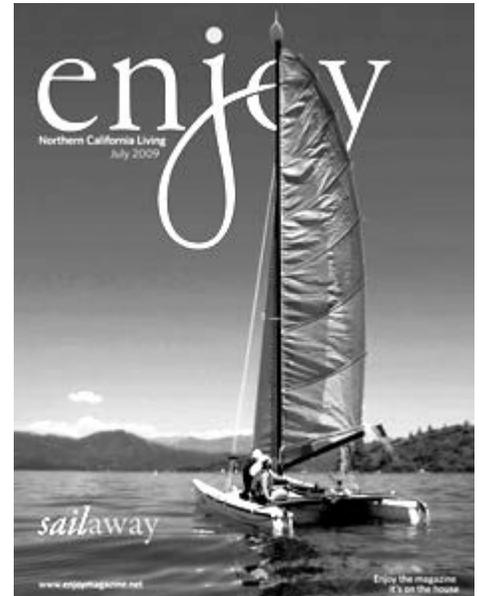

Mike Archibald is helping us get this organized, so please give him a call if you'd

like to bring your boat or help in our booth.

We should have at least two people available to answer questions, and others to stroll back and forth between our boats in their various locations and answer questions (while gently enforcing "look, don't climb").

Are any members good at setting up displays? Do you have photo albums of WSC history and events? These would be wonderful to include at the booth.

What about boats for sale? Bring them! Volunteers needed; this is a great opportunity to bring in new members!

This is the cover of Enjoy magazine's July, 2009 issue.

Tentative Schedule for Mall Event 3/27

- 3/22: 6 pm Planning Meeting at the Hanfords' (details on pg 2)
 - 3/26: 9.30 pm: booth and small boats set up inside mall
 - 3/27: 7-9:30 am large boats set up in parking lot out front
- Event Hours: 10 am to 9pm**

Mall security will rope off the area directly in front of the mall as reserved space to display our boats. Traffic will be diverted in other directions . . . we'll have a prime display area.

Reluctant Resignation

Well, we hardly got him afloat and wending away from the dock when the schedule crashed, the wind went fluky, and we lost our commodore.

Greg Adams gave notice on 2/9 that he is scheduled to work over the Memorial Day weekend and may miss the regatta. Plus some of those pesky pharmacist re-certifications were looming, and that promised to require a lot of his time.

Greg decided to take the high road for now, by making room for a commodore who has more time. Vice-Commodore Gorden Briggs has ably stepped up to the plate. Greg, we fully expect to see you on the lake for the spring series!

Spring Series Dates

April 11, 25

May 2, 16, 23

Please contact Gorden Briggs to volunteer as barge crew. We also need new scoring committee members, so if you can download free software and have some computer/numbers savvy, contact Mike Archibald.
